DEFENDANT'S PROPOSED JUDGMENT

The Court having considered the motions and suggestions hereby finds the issues in favor of plaintiffs and against defendants. Therefore:

Plaintiffs' Motion for Summary Judgment is sustained and Defendants' Motion for Summary Judgment is overruled.

It is further ordered that defendants are hereby enjoined from any further or additional field trips or excursions to Victory Ministries and Sports Complex under the terms and conditions outlined in the Victory Ministries release described in the pleadings and the motions;

The Court finds that plaintiffs have sustained no damage and further orders and directs that plaintiffs' motion and request for award of attorney's fees and expenses is denied.

It is so ordered this _____ day of March, 2017.
